With three bedrooms, three bathrooms, and a thoughtfully finished layout across both levels, this home is ideal for anyone seeking space, style, and small-town living just under an hour from Calgary.

From the moment you step inside, youâ€™™ll notice how well this home has been cared for. A generous front entry with a mudroom closet keeps things organized, and just off to the side, a good-sized main-floor bedroom and a full four-piece bathroom are perfect for guests or family. Further in, the mudroom doubles as a dedicated laundry area with direct access to the oversized double attached garage â€” a rare and valuable bonus for storage or parking.

The kitchen is a bright and inviting space, enhanced by a skylight that fills the room with natural light. Upgraded finishes from the original build add a touch of sophistication, while the open layout flows easily into the dining and living areas. The gas fireplace in the living room creates the perfect gathering space, and patio doors lead out to a backyard deck ideal for relaxing or entertaining. Just off the main living space, the primary suite is tucked away for extra peace and quiet. It features a spacious layout with a walk-through closet and a private four-piece ensuite, offering comfort and convenience all in one.

Downstairs, the fully developed basement opens up to a large bonus room that can adapt to your needs – whether you envision a media room, games area, or a second living space. You’ll also find another full bedroom and a third full bathroom, making this level great for hosting guests or accommodating multi-generational living.
